2010 Wesfam Scholarship Winners Announced

Sterling Campbell, Janine Castillo, and Morgan Ridinger are the 2010 recipients of Wesfam Restaurants Memorial Scholarships. Each will receive \$2,000 to be applied for tuition and books. The scholarships were established in memory of the late founders of Wesfam Restaurant, John Frederick "Fred" Wessel and Dr. George H. Wessel.

The judging committee was made up of a college professor, a college administrator and one local businessman not associated with Wesfam Restaurants. The scholarships were based on academic record, work record, school and community activities, school recommendations and demonstrated leadership.

Wesfam Welcomes New General Managers

Wesfam would like to welcome our two newest Restaurant General Managers, Adam Moore and Mikel Miller. Adam is the new General Manager at Huntsville BK #251 on North Parkway and Mikel takes over the General Manager position at BK #9694 in Muscle Shoals.

Adam began his training at the East Athens BK in March of this year. Prior to coming to work at Wesfam he had worked in corporate catering and as a chef in several restaurants. Adam grew up in a "restaurant" oriented family. He is the 4th generation chef in his family. His dad was an Army chef which lead to many moves for Adam throughout his childhood. Adam graduated from the West-

ern Culinary Institute and is currently attending Calhoun Community College. He is married and has two children.

Wesfam is the only employer Mikel has ever worked for. He began working at Wesfam in August 1994 as a sixteen year old while attending Sheffield High School. He continued working at Wesfam after graduating and was promoted to Shift Manager and then to Day Manager at the Muscle Shoals restaurant. Before his promotion to General Manager, Mikel worked at the Tuscumbia BK as an Assistant Manager. Mikel is married and is an avid bowler.

Adam and Mikel want to work on the Speed of Service in their restaurants. Both of them also want to focus on improving restaurant operations and to help their restaurant become one of Wesfam Restaurant's top achievers.
